

How can you help?

This ministry offers interesting ways to proclaim the Gospel of Jesus Christ to those who know Him as well as to those who may not. There are several ways a person can serve in this ministry from operating the puppets, for which training is provided, to many other equally important service areas.

HOLY HANDS MINISTRIES PUPPETS AND DRAMA

“I will praise you as long as I live, and in your name will I lift up my hands” Psalm 63:4

Who we are:

Holy Hands Ministries is made up of individuals from different walks of life, different age groups, and different churches. The ministries exist to help every puppeteer grow in Jesus while spreading the Good News of the Gospel via the use of puppets and drama.

What we do:

Holy Hands Ministries reaches beyond the walls of the traditional church to encourage people to experience the blessing of service while enjoying uplifting fellowship via puppets and drama. We serve the Lord with this ministry by worshiping together, fellowshiping with one another, discipling one another, and reaching out to others with the “Good News” in our productions.

Our ministry to the community and churches includes:

- full length puppet productions
- “special” music features
- full length drama productions

All of our productions are based on Bible stories or principles.

Our ministry also supports a number of missions projects including:

- Compassion International
- Mexican Missions Organization
- Nehemiah Ministries
- Gospel for Asia
- Crisis Pregnancy Center of Eastern Illinois

Where we are located:

Through the grace of God, we have been able to build a training center in Charleston, Illinois. Our training center includes a fully equipped staging area, a sound/recording room and plenty of room for the hundreds of puppets and props used in the shows.
